The Missouri University of Science and Technology Student Emergency Fund was established by Counseling Services in 2016. The fund assists S&T students by providing financial support with unexpected emergency expenses. Students sometimes have unforeseen circumstances that greatly impact their lives. The fund allows students to meet their needs and continue their education.

Students may apply for the fund once they have exhausted other resources. The funding is a one time option and does not need to be repaid. Students who are in need of funds may submit an application and appropriate documentation to the care coordinator. Students set up a brief meeting with the care coordinator to make sure they have appropriate follow up in place. Funds are provided only when there is funding available and are generally awarded in amounts between $25-$500. After submitting the required form and documentation and meeting with the care coordinator, students will be informed of the decision along with follow up instructions. Decisions are made by a three person committee. The committee will receive appropriate information about the situation.

**ELIGIBILITY REQUIREMENTS**

- Applicants must have a financial hardship resulting from an emergency, accident, or other unexpected critical incident. This hardship must have a direct impact on the student’s academic success at the university.
- Applicants must be currently enrolled students. It is strongly preferred that they be in good standing academically and not on disciplinary probation.
- Resources, including emergency loans through Student Financial Assistance, must have been considered and are insufficient, unavailable, or not available in a timely manner. Emergency funds are generally not used for ongoing needs. The student may work with the care coordinator to look at permanent solutions.
